Rock,

Regarding the request for a meeting with Carl Edlund in the letter of September 17, 2015, from Harris County (attached), please let me know the availability for a meeting with EPA in Dallas at the EPA Region 6 office for the following potential dates:

November 10, 2015: 1 to 3 pm; or
November 12, 2015: 2 to 4 pm; or
Another date if the above dates are not feasible.

Finally, the EPA is preparing a response to the other issues raised in the September 17 letter and will send a reply in the near future.
